

# Specification

## Natrolite 97mm

Recessed Down Light 10W JL-C002

10W

Life  
40000hrs

### Key Features:

- Long Life
- Applied in Offices, Meeting Rooms, Balconies etc.
- Indoor Use
- Aluminium Alloy Die-casting

| Part Number:            | JLC002010DS | JLC002010WS |
|-------------------------|-------------|-------------|
| Colours:                | Cool White  | Warm White  |
| Colour Temperature (k): | 5500±500    | 3500±300    |
| Output Lumens:          | 650 lm      | 560 lm      |

|                     |                    |
|---------------------|--------------------|
| Power Consumption:  | 10W                |
| Power Factor:       | 0.95               |
| Input Voltage:      | 100-240V           |
| Frequency Scope:    | 47-63 Hz           |
| Proof Class:        | IP20               |
| Viewing Angle       | 90 degrees         |
| Optical Decay Rate: | <5% within 3000Hrs |
| Life Expectancy:    | >40000 hours       |
| Dimensions:         | Φ112mm x 97mm      |
| Cut out Size:       | Φ97mm              |
| Certification:      | CE, RoHS           |
